GUIDANCE
DEPARTMENT

To the Class of 1962:

May I wish you the best of future success.

Your public school education, now nearing completion, will be the basis upon which you build your future. The lessons you have learned here will be of value only if you can apply them. Where you have been successful, repeat the process that brought about the success; where you have failed, determine the cause for the failure and make certain that it is not repeated.

Previous classes have compiled an enviable record upon leaving this school, I have every confidence that you will equal or surpass their accomplishments.

Sincerely,
C. M. Green

CLASS HISTORY

For the class of '62, September 1956 marked the end of our prestige as sixth graders. In the aura of football games and that new found marvel, homework, the alumni of Southside, Parkdale, and Main Street Elementary Schools prepared to set forth to face the high school world. We were at last united and determined to be a success! Armed with protractor, compass, and books, we entered a year filled with the excitement of learning a new way of life, finding many new friends, and losing ourselves in the maze of East Aurora High. Under the guidance of our advisor, Mr. Kelter, and our first president, Chuck Bichsel, we held our first social event, a closed swim-dance party. We took our first finals with the feeling that the year was well spent and that we had learned a great deal.

Feeling very superior at having weathered the rigors of seventh grade, we entered eighth grade under the guidance of Mr. Hatch. However, our hopes diminished and our homework soared with the launching of Sputnik. We still managed to have a good time at our class party, encumbered as we were with our extra homework. "No score and five years ago, the halls echoed with our efforts to recite the "Gettysburg Address."

At the end of the year, our class president, Linda Leland, received the candle which made us full-fledged ninth graders.

At last we had a title, "Freshman". New social obligations were given to us this year and we held our first open dance, "Rags to Riches." Under the leadership of Mr. Findley and Ann Burt, our dance was a great financial success, and we decided to make it a yearly event. Spring brought the annual Junior National Honor Society Induction in which many of our classmates participated. They enjoyed both the reception afterwards, and the idea of missing an extra period. The year ended with fair weather reports given by the eager forecasters in the Earth Science Class.

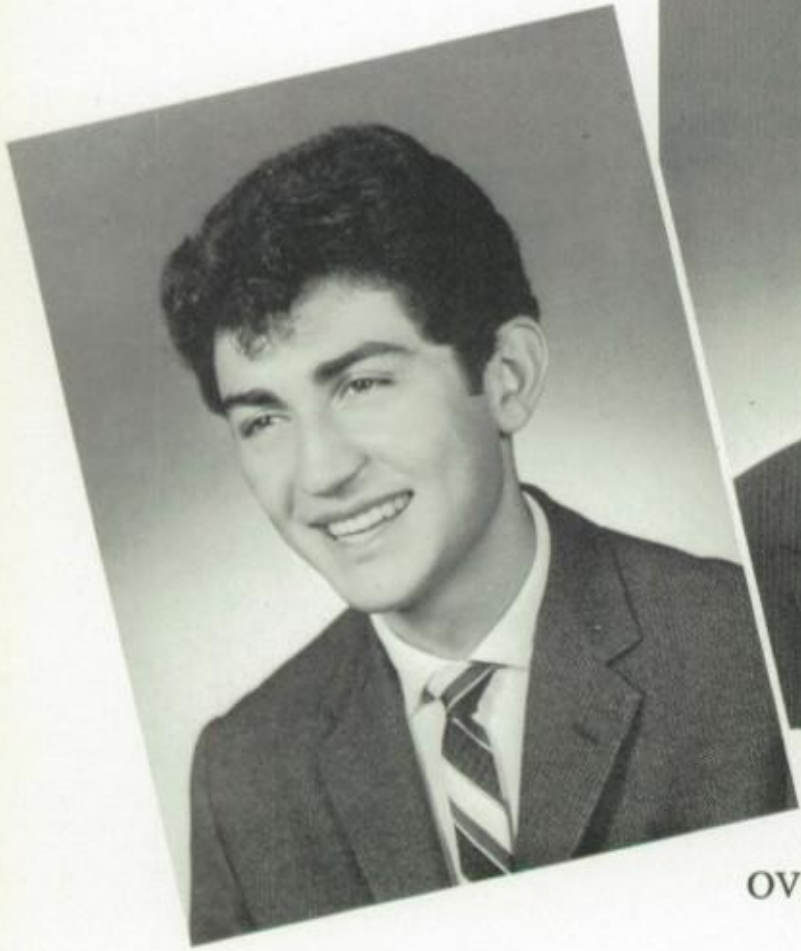

The beginning of our sophomore year found us enthusiastically selling blue-and-white shakers between halves at Hamlin Park's gridiron contests. Our energetic new advisor, "Frau" Gilbert, and president, Roger Wheeler, led us in this highly successful endeavor. Our next undertakings were our sale of school pens and our most important social undertaking to date, the "Snowflake Ball". The sophomore girls truly did a magnificent job of transforming the West Gym into a frosty paradise; the masculine segment of the class remembers this as the one dance with all the food that everyone could eat. We once again held "Rags to Riches," and this dance was likewise both a financial and a social success. Academically speaking, some of the most remembered events for the year were propaganda contracts and experiments in the ancient art of bloodletting under the direction of Mr. Lawson and Mr. Graziano.

Encouraged by our financial success of the previous year, we once again began by selling shakers, under the direction of advisors Mrs. Gilbert and Mr. Martina and our president, Jean Henry. Everyone remembers this as the most exciting football season of our high school career. The team, on which many of our classmates participated, was undefeated in league competition and played a great part in arousing the dormant school spirit. The Sadie Hawkins dance climaxed the season with its record-breaking crowd; this proved beyond a doubt, that the class of '62 has the most aggressive girls in school. As Christmas approached, many parents of East Aurora Juniors noticed a peculiar similarity in their Christmas cards. Research showed this to be the result of our class's endeavour to sell the Season's Greeting.

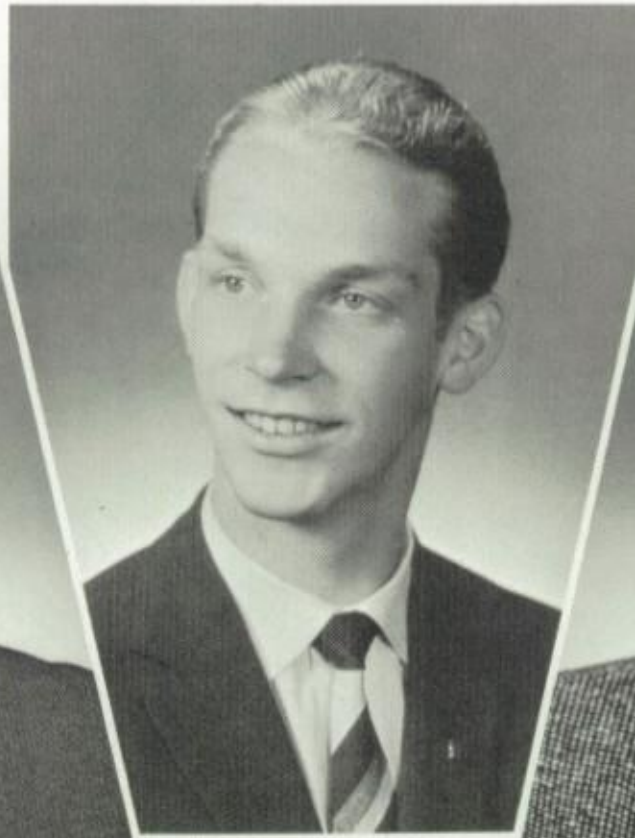

As the snows began to subside, many of our classmates journeyed daily to South Side for rehearsals in preparation for the presentation of our Junior play, *George Washington Slept Here*. Our stars, Read Cone and Ev Kitson, were supported by a fine dramatic cast; those of us who worked on the committees, and those who enjoyed the performances, will not soon forget Bob Ferguson and his cow, or Hazel Draudt's scene stealing shoe. In May, the top scholars of the class of '62 were honored by being inducted into the Senior National Honor Society. Shortly thereafter, we brought our year to a close with the junior prom; *Sayonara* was the most successful prom ever, to judge from the large percentage of our class and of others who attended. Following the prom and our American history and chemistry finals, we went home to rest in preparation for our long-awaited senior year.

At last, we were in the Auditorium with Dan Schnurr as our president. This was the beginning of the end of our high career. We walked into Senior homeroom with many memories behind us and with the expectation of making many new ones. Assisted by Mrs. Gilbert, our new advisor, Mr. Jahn, patrolled the aisles. The magazine sale, under the management of Read Cone, was finally completed (after many extensions.) The hot dog stand added more money to our growing treasury. New problems were facing us. Many Seniors were taking an extra course entitled "How to Get into College." This course alone occupied many hours of our lives. Instead of weather reports, we were kept posted by the physics classes on the radioactive fallout count. The holidays were started happily with the Seniors Christmas party. January brought our last set of mid-year exams. "Whan that Aprille with his shoures soote," we were all diligently making "pilgrimages" to the Grosvenor Library. The days flew until we at last marched with cap and gown to the graduation platform. This formal ceremony completed our high school career and marked the end of the final chapter in the class of 1962's history.

Our first event was a victory dance after the East Aurora - Iroquois football game. In spite of the fact that we lost the game, the dance was a success.

This dance was followed by another, the Sadie Hawkins Dance at which Sunny Stewart and Tim Burke were elected Daisy May and Li'l Abner. Between these events we were selling Christmas cards. We were amazed at our success even though the records got so mixed up no one really knew who had sold cards.

Later in the year we gave a dance for lovers, The Sweetheart Swing. This was the first time we realized that we had more sweethearts than any other school. Next on the program was the junior play. The quality of the performance lead us to believe that we shall someday see some of our actors on Broadway or in Hollywood. And what can we say about the Junior Prom that hasn't been said about other proms? Never was such a night! Never such graceful dancers! Never such glamorous juniors! And what food! And now—the impending exams. Once we are over this hurdle, we'll all be seniors. And what seniors we will be! We'll be the best—that's what we'll be!

"GEORGE WASHINGTON SLEPT HERE"

"Welcome, Uncle Stanley!
Welcome!"

A dilapidated old farmhouse in Pennsylvania is the setting for the comedy presented by the class of 1962 on March 9, 10, 11, 1961.

When Newton and Annabelle Fuller (played by Read Cone and Evelyn Kitson) decided to buy a house in the country, they soon discovered that country living lacked many of the comforts of their city apartment. They had to put up with the antics of the slow-but-sure caretaker, Mr. Kimber (Bob Ferguson), Rena Leslie (Nancy Johnson), Mr. Prescott (Scott Carnes), Raymond (Bill Wright), and Uncle Stanley (Tom Durham). The play, directed by Miss Harp, came to a rollicking climax which the audience seemed to enjoy as much as the cast.

Newton."

BOYS' VARSITY "A"

The Boys' Varsity "A" has more members this year than in any of the past few. This enlarged membership is due to the increased interest and success in the school's various sports. The members have become more interested in the status of athletics in the school, and have had various discussions, proposals, and acts concerned with this subject. Comparatively inactive for the first half of the year, a number of dances and a dinner were held by the organization for the latter half.

GIRLS' VARSITY "A"

The officers for the Girls' Varsity "A" this year are: President, Karen Johnson; Vice-President, Ann Burt; Treasurer, Wendy Zale; and Secretary, Denise Billane. Under the guidance of their advisor, Miss Wassman, the girls have had a very successful season. Several girls served at the swimming team banquet, and a dance was held. The group also made a Christmas basket for a needy family in this vicinity. A new constitution was drawn up, with new rules and regulations.

THE CHEERLEADERS

This year the cheering squad, consisting of twelve regulars and one alternate, was again coached by Miss Nancy Davis. With the assistance of the Pep Club the high point of school spirit, achieved the previous year, was maintained. Navy blue blazers were purchased for the purpose of displaying the newly acquired national cheerleading emblems. These blazers were worn on "blue and white" days instead of uniforms.

One of the year's projects was the addition of a board to the gym, displaying the names and numbers of the basketball players.

GOLF

When the season began, the Varsity Golf Squad had a string of 32 consecutive victories, 22 of which were in league competition. Although they lost a non-league match to Kenmore West, the 1961 squad remained E.C.I.C. champions for the third straight year.

Bowling is a relatively new sport at East Aurora High, but it is growing in popularity. With many underclassmen building a strong nucleus for future squads, the team will be assured of a successful future.

CROSS COUNTRY

The cross country team completed a successful season with 6 wins and only 2 losses. East Aurora received a second place in their division at the Buffalo State invitation meet, which Vic Leitzke and Pat Hennen received medals. The Harriers finished third in the Div. II standings.

J.V. BASKETBALL

The J. V. Basketball team got off to a fine start by winning its opening games. The squad looked forward to a successful winning season. Their immediate goal was to repeat as Division II Champions, but their long range goal, like that of all J. V. teams, was to build a strong, successful Varsity team in the future. East Aurora High can look forward to many years of good basketball, and a winning team.

BASKETBALL

This year's Varsity Basketball team completed the season with a very commendable record. The team was made up of mostly Juniors and thus should form a sound nucleus for next year's squad. The three Seniors, co-captains Bob Dona and Paul Spencer, and high scoring Neil Chur, will, of course, be missed next year, but the "graduation toll" will not be as disastrous as in the past.

The team got off to a good start in Division II competition, defeating Springville, Lakeshore, and Iroquois, but losing to Hamburg in a non-division game. The "Bluedevils" momentarily stood in a first place tie. In games with Clarence and Maryvale, the Division II leaders, E.A. suffered from last quarter let-downs and lost well fought games by less than ten points. Fourth-ranked Sweet Home rolled past E.A. by twenty-five points to push the "Devils" into fourth place, but the second wins over Springville and Lake Shore put the team in a third place tie. As the second half of the season began, E.A. lost a two point thriller to Hamburg, but their improved play showed that they were not to be over-looked as a threat to the leaders the second time around.

Besides Chur and Dona, Mike Carmen and Tim Burke were high scorers. The team was extremely well balanced with a fine defense. Coach Bowen and E.A.H.S. can look forward to a great season next year, when the East Aurora "Blue Devils" have a chance to take it all.

The J.V. team, with a well-balanced attack, stands undefeated and should repeat as Division II champs. The "Little Devils," who could beat most teams with their second string, had little trouble with most of their opponents. Consistently, the high scorers were Steve Bartlet, Jim Bolen, and Paul Vance. Many of Mr. Austin's "Cagers" should help the Varsity next season.

Jackknife

The swimming team was off to another fine start this year and was undefeated with less than half the season remaining. Winners of over 40 straight Division II dual meets, the spirited "Bombers" were aiming at fine performances in the E.C.I.C.'s and the Sectionals to cap another successful season.

With a good supply of talented seniors returning, along with an additional turnout of about forty boys, the track coaches, Mr. Palmer and Mr. Jahn, fully anticipated a successful season. Losing only to Iroquois in league competition, the team won a solid second place in

Division II. The high point of the season was the defeat of more than ten teams by East Aurora at the Alden Invitational. Led throughout the season by record breaking efforts by Dave Beach and Doug Constantine, the team worked very hard to complete a fine season.

FOOT

The two new coaches, Mr. Jahn and Mr. Drescher, did a spectacular job with a very green team this year. With just two starters returning, a brand new offense, and inexperienced players, they developed a team which performed beyond anyone's expectations. After the first game, Depew, there was not one team which could say the Blue Devils were not tough.
